Kitsap Rifle & Revolver Club's

## November at the Kitsap Rifle and Revolver Club

- Don't forget to vote! This is one of the basic rights and responsibilities of being an American citizen. Election Day is November 4th!
- Now is the time to renew your annual Club membership. The 2009 KRRC Range Access Renewal Form is included with this month's hard copy newsletter; forms are also available online at the KRRC website at [www.GunSafety.org](http://www.GunSafety.org) and at the Range.
- Range Officer candidates are needed to begin training. Interested? Call 373-1007 for details.
- It's time to finish up your participation credits for 2008, before the end of the year. Requiring that each member complete 10 Participation Credits for their Club is one way that we can keep our annual dues so low (a bargain at \$60 per year) instead of continuing to raise our rates like other clubs do. Participation credits can be earned for virtually any work/services/supplies you provide to the Club—it's easier to accomplish than it sounds. If you need ideas for ways you can help out the Club and earn your credits, call Marcus at 360-373-1007.
- This month is an excellent time to come out to the range and practice. With winter approaching and many of our programs winding down for the season, there is lots of space available on the lines so take advantage of this opportunity to come out and shoot. Remember, if you are a member of the Club, you can bring one guest out to shoot with you at no charge so that they can see what our Club is all about.
- The Buy/Sell/Trade page on the Club's website has been a huge success! Even if you don't have a computer, you can write out an ad, bring it to the range, and we'll post it for you.
- We are looking for several light poles for our replacement lighting; 25' to 40' long would be ideal. If you have a source, or know of a possibility, let us know!
- A few other material needs at the club include: a couple more flat panel computer monitors, plain paper for our printers, 1"x2"s for target stands, old doors for the target lines, old plaques and scraps of oak, walnut, cherry or other hardwoods and acrylics for making awards, and battery powered tools (especially screwguns) for our shooting programs.

A Thank You Note From an Appreciative Member:

*To my Friends and Members at KRRC,  
I was ecstatic when out of the 2007 Area One championships I was given a slot to the 2008 USPSA Limited, Production and Revolver National Championship. After talking to Marcus about it and finding out that KRRC would hold fundraisers and accept donations to get me there, I was in disbelief. If it was not for the members and friends of the Kitsap Rifle and Revolver Club I would not have been able to attend the 2008 Limited, Production, and Revolver National Championships. Many people dedicated or donated time, effort, and or money to send me to nationals. It was a great experience and I would like to say **Thank You** to everyone who helped. I am truly appreciative for everything. Sincerely, Nate Lively*

### ABOUT US

Website: [www.GunSafety.org](http://www.GunSafety.org)

Phone: 360-373-1007

Email: [info@GunSafety.org](mailto:info@GunSafety.org)

Range Hours: For members who have taken and passed the KRRC Orientation & Range Safety Briefing class, the primary ranges are generally accessible for use daily from 7am to 10pm. For members that have not taken or passed the class, and for general public access, we are typically open with a Range Officer on duty Tuesday thru Friday from 11am to 7pm and Saturday and Sunday 8am to 4pm.

Membership: \$60 annually plus ten participation credits (see a Range Officer for an application or apply online).
